

## **Road closure at Linton Heath which will affect the route of bus service 19s to The Pingle Academy.**

I have been informed by the County Council that a section of Linton Heath will be closed to traffic from Friday 18th to Friday 25th January 2019 to facilitate drainage works. More information is available from the following link: <https://roadworks.org/?tm=112104641>

It will be necessary to amend the route of service 19s, which is operated by Midland Classic. The revised route will be: (from Netherseal) - A444, High Cross, Burton Road, Linton Road, Hillside Road, Linton Main Street, Winchester Drive and Windsor Road. The service will turn around in Linton and operate to The Pingle Academy. Students should wait at bus stops on this route at the normal time. Please note that service 19s will follow the same diversion route on the return journey home.

Once the road works have finished, which could be earlier than advertised, the normal route will be reinstated.

If you have any queries, please let me know.

Regards
