

## Results

Results will be available on Thursday 16 August (A Level results day) and Thursday 23 August (GCSE results day)

To obtain results, you may:

- a) collect them in person from school between 8:30am and 12:00pm. Staff will be available to give advice and support where needed.
- b) leave a first class stamped, self-addressed envelope with the examinations staff. Results will be posted from the Academy on the results day.
- c) arrange for a close friend or relative to collect the results. Please give written details to the examinations office before the end of term. The relative or close friend will be asked to show proof of identity.

Please note that results will not be given out over the telephone or emailed.

As students pick up their results they will be asked to sign a form which will enable the Academy to request reviews of marking for students. When results come in we will establish how far off students are from achieving the next grade up. If students are only 1 or 2 marks off the next grade up the Academy will apply for a re-mark on their behalf. Students will be informed by either telephone or post of any changes to their grades.

If parents would like to apply for a review of marking for their son/daughter they should contact Mrs Shaw at the Academy as soon as possible.

## Collection of Certificates

These will be available for collection from the Academy from November onwards. A notice will be put onto the Academy website when they are ready to collect.
