

The Pingle Academy

NHS Test and Trace consent form for COVID-19 testing

This common consent form has been designed for use by parents and carers of students under 16, students over 16 and staff.

It should be completed as follows:

- For students younger than 16 years - this form must be completed by the parent/carer or legal guardian. Please complete one consent form for each child you wish to enrol.
 - Students over 16 can complete this form themselves, having discussed participation with their parent/carer if under 18.
 - Staff will complete this form themselves.
1. I have had the opportunity to consider the information provided by the academy about the testing, ask questions and have had these answered satisfactorily, based on the information presented in the letter dated 7 January 2021.
 2. In the case of under 16s, I have discussed the testing with my child and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so and consent can be withdrawn at any time ahead of the test.
 3. I consent to having my/my child having a nose and throat swab for a lateral flow test.
 4. I consent that my/my child's sample(s) will be tested for the presence of COVID-19.
 5. I understand that if my child's result is negative on the lateral flow test I will not be contacted by the academy except where they/you are a close contact of a confirmed positive.
 6. If the lateral flow test indicates the presence of COVID-19, I consent to having, or my child having a nose and throat swab for confirmatory PCR testing, which shall be sent the same day to an NHS Test and Trace laboratory.
 7. I consent that I/they will need to self-isolate following a positive lateral flow test result, until the results of the confirmatory PCR have been received.
 8. I agree that if my/my child's test results are confirmed to be positive from this PCR test, I will report this to the academy and I understand that I/my child will be required to self-isolate following public health advice.
 9. I consent that if a close contact of my child tests positive but I/my child has tested negative, I/they will continue to attend the academy, but will be tested every day at the academy for 7 days.
